COVID POLICIES / RESTRICTIONS

We have had many people ask about the guest number limit. At this time, weddings are considered a "Public Event" the government does not have a specific limit to how many people may gather at a time—it is based on social distancing. The Oaks Event Center can accommodate **75 guests at one time for a flowing reception.** Meaning 50 of your guests can be seated at the tables and the others can be waiting in line to congratulate the Bride and Groom. Please keep in mind that if it becomes crowded and apparent that 6 foot social distancing cannot be maintained, your hostess will inform your person of contact and a line will have to form outside and guests will be let in as others leave. To avoid this happening, we suggest you encourage your guests to come, say congratulations, enjoy a quick treat, and then leave so as to allow as many of your guests the opportunity to see the happy couple.

- For groups other than weddings / receptions we are still only allowed to have **no more than 75 guests at a given time**, due to the size of our event center and the current county and state guidelines, in the Event Center. **If using the deck an additional 50 people are allowed.** Social Distancing and Masks are required.
- (Normal maximum capacity is 184 people).
- With the latest guidelines face masks are now REQUIRED to be worn at your event.
- We provide and display mandatory signs requiring mask wearing and social distancing. THESE ARE NOT OPTIONAL.
- There are floor markings to encourage 6 foot social distancing while waiting in the receiving line.
- We have several hand sanitizing stations available throughout the event center.
- Government mandates that all tables must be 6 feet apart and seating is limited to 6 people per table.
- Most caterers are aware of food and drink regulations, however, it is important that you are aware that all food must either be prepackaged, grab-n-go food or must be served by a designated server who is equipped with an apron, gloves, and a mask.
- We encourage only having The Bride and Groom First Dance, Daddy-Daughter, Mother-Son dance. Group dancing is not prohibited but we strongly advise against it. There are strict rules that if you do have dancing; face masks must be worn and a 6 foot distance must be maintained among the dancers.
- Cake cutting: Bride and Groom are permitted to cut their cake however, if they plan on serving their cake they must take their slice 6 feet away from the cake after slicing to feed it to each other. The caterer or other designated server equipped with gloves, apron, and mask must slice and serve the cake to the rest of the guests.
- We appreciate your patience as we too are doing our best to comply to new changes as they are released by the government. Please keep in mind that these rules may change or be added to as the government releases new information.

We know this is a crazy time to be planning a wedding and we want to do all we can to help you still have a wonderful event while helping keep you and your loved ones healthy!
